"Soldier is not just a person, One is our Pride, Army is our glory,  
Honor we earned."

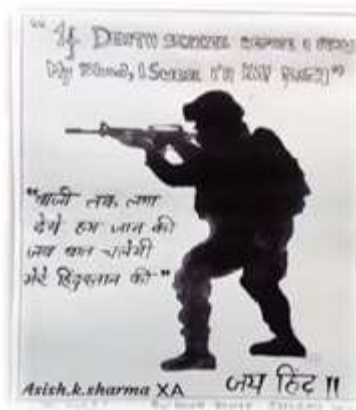

- Kaushik Dhakate

21st Kargil Vijay Diwas 2020: A day for a recognition of supreme sacrifices made by our soldiers and their exemplary courage in cruelest of battles. A day for reckoning of the blessings accorded to the rest of us by their selfless service to the motherland. With the soul spirit and respect NCS (K) observed this day by commemorating the lives of great soldiers who laid their lives to save our motherland.

Students of NCS (K) put up an enthralling virtual assembly to inscribe the story of the victory of Kargil war. Through a heart touching presentation they made all to dredge up the sacrifice and martyrdom of our armed forces that brought laurels to the nation during the Kargil War. They not only intended to commemorate the sacrifice but also to inspire young

generations from the past examples of national service and sacrifice. They signed a gesture of appreciation for them. Also given a promise that even if they are apart from our sight the brave warriors will always remain in our hearts, minds and prayers.

Students of 10<sup>th</sup> std also presented some posters to engrave the footprints of the heroes.

Then followed by a mind blowing dance performance they filled the minds with patriotic spirit.

The day made all to realize and assure that the victory in Kargil was the victory of India's power and patience, dignity and resolution, and the victory of expectation and dutifulness of every Indian.
