

Report on Swachhata Hi Sewa Campaign

The students and staff of Navy Children School, Kochi actively participated in the Swachhata Hi Sewa campaign in collaboration with the Southern Naval Command. The Cleanship drive was organized on 1 October 2023 at various locations in and around the cities of Kochi and Ernakulam.

Some of the areas covered included the Mahatma Gandhi beach, Fort Kochi beach, COPT walkway, Willington Island, Venduruthy channel east side, Venduruthy channel IMU side, MES area, Marine Drive and Bolgatty. The staff and students of the school joined the Naval Personnel at these points and with ardent enthusiasm and commitment, dedicated themselves to ensuring that the areas allotted to them were left pristine and clean.

The campaign that extended from 9am to 11am witnessed the young volunteers, equipped with safety gears such as masks and gloves and various cleaning items, applying themselves to the task at hand with animated vigour under the guidance of their teachers and the Naval fraternity. It was indeed the testimony to their commitment towards safeguarding their environment.

The nature warriors were also joined by VAdm MP Hampiholi PVSM, AVSM, NM, Flag Officer Commanding-in-Chief, Southern Naval Command and Patron NCS, Kochi and Mrs Madhumati Hampiholi, President NWWA, Southern Region.

The Cleanship Campaign had the participants removing tonnes of plastic and other non-biodegradable wastes from the premises of the allotted places, restoring them to their natural milieu.
