INDEPENDENCE DAY (15th August) CELEBRATION-2020

Freedom has its life in hearts, the actions, the spirit of men
and so it must be daily earned and refreshed
else like a flower cut from its life- giving roots,
it will wither and die.

In this year India celebrates its 74th Independence in a slight different way. Along with commemorating the sacrifices laid down by the great soldiers, the day was a tribute to the coronavirus warriors for their sleepless efforts and struggles to make India free from the hands of the ongoing pandemic. NCS (K) put up a mesmerising virtual assembly by giving emphasis on the same.

The tiny totes of NCS (K) made the day more colorful and remarkable through a mindblowing show which was a tribute to the corona warriors, who are working tirelessly to bring back the peace and harmony of our Nation.

Devoted police men were there, sleepless and dutiful doctors and nurses were there, courageous Navy and Army people were there, suffering people were there and a ray of HOPE was there- the day recalled the unconditional love and sacrifice laid by and still laying by the GREAT PEOPLE –THE CORONA WARRIORS.

Vibrant dance performances and soothing songs were brought the mind of everyone to remember the sacrifice of the great soldiers who had given their souls and lives for getting freedom from the hands of British. Every moment was instilled with patriotic spirit.

Freedom doesn't see colours or shapes. There is enough hate and violence in the world, and now we need to build a better future, full of love, unity and understanding. We are blessed to have a right to speak and to be heard. A right several brave souls fought for. India's Independence Day reminds the country's citizens of all the sacrifices the freedom fighters have made to secure the country's future. Since its independence, India has made stellar progress in every field, including education, military and space programmes.
