

NAVY CHILDREN SCHOOL, KOCHI
HEALTH ADVISORY - DENGUE
CIRCULAR -05/23-24

Dear Students,

1. In the recent past, due to intermittent rainfall, there has been an increase in the number of cases of Dengue fever and Ernakulam district has been placed on ALERT for Dengue by District Health Authorities.
2. Dengue fever is caused by bite of infected Aedes mosquito. Any fever lasting for two or more days, parents are requested to seek medical consultation.
3. Dengue fever can be easily prevented by taking adequate precautions against mosquito bite. Parents are requested to take personal protective measures to prevent self and family from mosquito bites.
4. An infographic received from Station Health authorities is appended below for information.

5. In view of above, students are permitted to have an option for wearing long sleeve inner wear (black/navy blue colour) covering their hands and legs along with school uniform.
6. This modification to school uniform is only optional, not mandatory.

Date: 19.12.2023

Ms Nellie Paul Verghese
Principal, NCS (Kochi)
